Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Mercury Conjunct Venus/Neptune 0 deg 04 min

You can be successful in an artistic area. Your great imagination and ability to understand and formulate artistic ideas are big assets. You also are good at interpreting and understanding fictional literature and poetry.

Venus Conjunct Moon/Jupiter 0 deg 28 min

Your kindness and warmth radiate out to others, and bring more happiness to others than you probably realize. You can be very successful working with children or in any other area where others will reward your kindness rather than take advantage of it. Avoid developing a habit of eating high-fat foods; otherwise, you may find yourself struggling to lose pounds later.

Sun Conjunct Uranus/Neptune 1 deg 30 min

Your imagination and idealism are unusually strong. It is likely that you believe in various paranormal phenomena that most people are skeptical of. In order for your dreams, visions, and fantasies to develop to their greatest potential, it is best if you avoid drugs, alcohol, and stimulants.

Uranus Conjunct Moon/Neptune 1 deg 03 min

You are inclined to unusual moods and inspirations. Unusual dreams and a heightened imagination draw you to the arts, music, religion, and perhaps mysticism. Your high sensitivity can become severely unbalanced from drugs and alcohol, both of which you should try to avoid.

Neptune Conjunct Mars/Jupiter 1 deg 04 min

You become bored quickly by simple chores and mundane tasks. You seek more exotic and far-reaching goals. You succeed in areas that require imagination or a far-reaching vision. If you can devise a clear and practical plan, and focus sufficiently to help ground your grandiose schemes, you can indeed achieve them.

Moon Opposition Saturn/Neptune 2 deg 00 min

You have a deep sensitivity that others may be very unaware of. Some form of moral laws or religious principles are important for you to develop and discover, and without a good ethical and emotional foundation in your life, you may turn to alcohol or other forms of escape. You can be very self-sacrificing for a worthy cause.

Sun-Mercury-Saturn 90th Harmonic (90=5x9x2)

You are methodical and logical. In elementary school and even in high school, you may sometimes have felt that you are a slow learner, but actually it is only your insistence on gaining a thorough, complete, and logical understanding of a subject that caused any problems. Other people are content with relatively superficial explanations whereas you often seek a level of clarity that even the teacher may not be capable of providing. Your quiet, structured, and disciplined approach to learning can help you excel in many areas as long as you have the self-confidence and patience to allow yourself to master the material.

Mercury-Mars-Pluto 90th Harmonic (90=5x9x2)

Sometimes you become impatient and even belligerent with others if you feel that their ideas are poorly constructed or based on erroneous assumptions. You are shrewd and insightful but sometimes you are not as open to other points of view as you think you are.

Venus-Mars-Neptune 44th Harmonic (44=11x4)

You are very idealistic and dreamy in romantic affairs, and inclined to be disappointed when you gradually awaken from the dream. Still, it is not impossible that you can meet the person who is just right for you. You are also artistic, creative, and imaginative.
